

## Legacy Charter

**Leaving a gift in your Will is a very special way to support Befrienders Worldwide. You do not have to be wealthy to remember Befrienders Worldwide in your Will and we understand the importance of putting your loved ones first:**

1. Because we are committed to making a difference to children, we always encourage people to leave something to Befrienders Worldwide. But we recognise that **it is your decision** and you need to make it **in your own time**.
2. We will always **respect your privacy**.
3. We realise that your **family and friends will come first**. We don't ask you for a specific sum of money but for a small percentage of whatever is left after those close to you have been cared for.
4. We would love to hear that you have remembered Befrienders Worldwide in your Will but there is **no obligation** to say so or to keep us informed of any changes to your intentions.
5. At any time in the future, you have the **absolute right to change your mind** about a gift in your Will.
6. We will handle whatever gift you leave efficiently and with **care, sensitivity and respect**.
7. We will give you and your family the **opportunity to be connected** with the work we do, but will always respect their privacy.
